This website is a safe place to make reports of any issues that impact a persons safety online. Staff have access to the website and can use this to report it, alongside speaking to us in our schools.

This website is a safe place to report any issues that impact a persons safety online. It also contains lots of support for parents, advising you on how to keep your child

As a school, we work closely with National Online Safety to produce leaflets that focus on current apps young people are using in their schools and how to keep them safe. We also have a social media platform on our own social media plat-
