Equipment

- Students must have a pen, pencil and ruler with them every day.
- All students must store their equipment in a suitable school bag and not blazer pockets.

Students will be fully focused on their learning and enjoying the varied experiences the academy offers. We recognise the use of these devices when a student is travelling to and from the academy, but if a student chooses to bring a device into the academy it is their responsibility and at their own risk. Parents and students should be aware of the following:

- If a student is seen using any device during the academy day, it will be confiscated immediately and a behaviour point will be given.
- The first time it is confiscated a student will be permitted to collect their device at the end of the academy day from Reception.
- In cases of subsequent instances, parents will be informed and be required to pick up the device from Reception at their convenience. Reception is staffed from 7.30am until 4.30pm Monday-Friday.

Parents are encouraged to discuss this approach with their son/daughter. In case of emergency, students can contact home via our Student Services desk. Similarly, parents can contact students in an
